GRINMINT by

BLOCKCYPHER

- **Team**

- BlockCypher
- Quentin Le Sceller (Core Grin developer)

- **Exponential growth**

- In 2 weeks, 0 to 17k+ workers (~85k GPUs)!
- Upgraded node infrastructure in Europe and U.S.

- **Transparent reporting**

- Accurate hashrate (most mining software and pools are padding!)
- Block rewards and shares
- Detailed global and per-worker statistics
- Percentage of reward goes to Grin Developer Fund

We are inviting more hashpower to join us!
